

## 12th World Congress on Advances in Nanoscience and Nanotechnology – Nano Technology 2020

**Constantinos Sioutas**

University of Southern California, Los Angeles, USA, E-mail: [sioutas@usc.edu](mailto:sioutas@usc.edu)

After gaining a very favourable outcome out of the past conference in the Nanoscience and Nanotechnology field, **Lexis Conferences**: CPD accredited - **12<sup>th</sup> World Congress on Advances in Nanoscience and Nanotechnology** – Nano Technology 2020, takes all the pride in announcing the Upcoming Conference in the successful series of Nano Technology Conferences.

**Nano Technology 2020**- The two-day gathering of world-renowned researchers, professors, experts and practitioners of Nano Engineering, Nanophotonics, Nanochemistry, Nanotoxicology, Nanomedicine, Nanoelectronics, and other diversified fields is scheduled on **July 27-28, 2020 in Vancouver, Canada**.

The **12<sup>th</sup> World Congress on Advances in Nanoscience and Nanotechnology – Nano Technology 2020** is going to happen on the 27<sup>th</sup> and 28<sup>th</sup> July, 2020 in Vancouver, Canada. Nano Technology 2020 desires at integrating all the renowned Specialists, Researchers and Doctors, Medical professionals, Fellowship holders, Residents, Pharmaceutical industries, Material Science Industries and Healthcare industries in the field of Nanoscience and Nanotechnology. The objective of this conference is to gather like-minded coteries to facilitate the flow of ideas, thoughts, suggestions and motivations

This **Nanotechnology Conference** runs on the theme “Recent advancements and Innovations in Nanoscience and Nanotechnology”, which concedes that Nano Technology 2020 will act as a platform for exploring the novelties in the field of Nanosciences. In this gathering, the breakthroughs related to medicine and pathology are about to be deliberated and cognizance of the treatments is to be shared.

Nano Technology 2020 will serve a great opportunity for the delegates of universities and Institutions as it allows people to interrelate with world-class professors, researchers and businesspersons. Our vision is to bring the eminent speakers together and interconnect the researchers and scientists across the globe. We provide a platform where exchange of ideas can take place and enable the researchers to think in different dimensions to help them in getting innovative ideas.

Nano Technology 2020 will not simply be a stage estimation in a gigantic event of people, yet additionally, it’s an attempt to spread research advances in the ever evolving-field of Nanotechnology Conference.

The scientific event focuses on this **Nanoscience and Nanotechnology Summit** on the research which is currently being undertaken in the field of Nano sciences and Nano technology including Nano Engineering, Nanophotonics, Nanochemistry, Nanotoxicology, Nanomedicine, Nanoelectronics, Forensic Nanotechnology and many more.

**Nano Technology 2020** Conference embraces Keynote speeches, Oral, Poster and Video Presentations. The fostered participants can confirm their participation by registering in Nanoscience and Nanotechnology in 2020. All the accepted abstracts will be published in the supporting journals like Journal of Nanomaterials & Molecular Nanotechnology; Journal of Biotechnology & Biomaterials

This conference will help the attendees in building a strong professional network by facilitating a fresh perspective of ideas, knowledge in recent advancements, one-on-one engagements and streamlining of techniques. **Nanoscience and Nanotechnology Conference** is organized under the belief that one-on-one interactions and discussions open door to innovations and inventions. We are proud facilitators of such an opportunity.

Nano Technology 2020 welcomes: Biotechnologists, R&D Companies, PhD Scholars, Physicians, Healthcare Companies, Medical Equipment Companies, Material Science related societies, Nano Science related Societies, Advertising Companies,

Researchers, Scientists, Business delegates, Nano Technology related Institutions, Companies, Medical Colleges, Faculties, Associations, Diagnostics centres, Pharmaceutical Industries, Product development and marketing professionals, Healthcare Industries, Medical devices manufacturing companies.

We soulfully welcome you to Vancouver and hoping that Nano Technology 2020 will inspire you and will result in new collaborations and friendships!
