About Conference

EEE & Engineering Events cordially invitations across the world to International Summit on part, Defense and engineering science (Aerospace 2021) schedule throughout Gregorian calendar month 23-24, 2021 a number one forum for Business professionals, Scientists, Professor, administrators of corporations, Delegates, Industrialists, Researchers and Students within the field part and Defense to exchange data on their latest analysis progress and with a topic “Explore Innovations in area and Defense Systems” to hide most aspects and fields of part, Defense and engineering science Sector.

International Summit on part and Defense Exposition are organizing an excellent Live Webinar and anticipate the world's leading specialists concerned in part, Satellite, Defense Sectors. Your Organization can profit with glorious exposure to the leaders in part, Defense and Satellite communication. You'll be able to update your data concerning current state of affairs of part trade and receive name recognition at this 2-day event. Part 2021 is AN exciting chance to showcase the new technology in area sector. World-renowned speakers, the foremost recent techniques, strategies, and so the latest updates in part, Defense, engineering fields are hallmarks of this conference.

Aerospace Competitive Landscape

Major Competitors are:

- Airbus Group
- The Boeing Company
- United Technologies Corporation
- General Electric Company
- Safran S.A.

Other Competitors Include:

- Rolls-Royce Holdings plc.
- General Dynamics Corp

Citation: Parker .R, Aerospace, Short Communication on Aerospace, Defense and Mechanical Engineering, UK, J Space Explor. 2021;10(4):185.

- Honeywell International Inc.
- Bombardier Inc.
- Embraer S.A.
- Hindustan Aeronautics Limited (HAL)
- BrahMos Aerospace
- Commercial Aircraft Corporation of China, Ltd. (COMAC)
- Shanghai aircraft manufacturing factory
- Aviation Industry Corporation of China
- Superior Aviation Beijing Co., Ltd.
- Mitsubishi Aircraft Corporation
- Kawanishi Aircraft Company
- ShinMaywa Aircraft Industries, Ltd.
- Subaru Corporation
- Foxcon Aviation
- Dirgantara Indonesia
- Advanced Composites Solutions
- Nostromo Defensa.
- Israel Aerospace Industries
- Iran Aircraft Manufacturing Industries and
- Israel Aerospace Industries
- The Airplane Factory
- Jonker Sailplanes
- Dassault
