### Announcement

Firstly we would like to extend our warm gratitude to the Editors of this Open Access Journal. Analytical Chemistry: An Indian Journal has collaboration with more than 50 eminent Editors and is successfully publishing quality articles in the field of analytical chemistry, pharmaceutical chemistry etc. We are using an Editorial Tracking System for quality in peer-review process which is an online manuscript submission, review and tracking systems. Review processing is performed by the editorial board members of the Journal or outside experts; at least two independent reviewers approval followed by editor approval is required for acceptance of any citable manuscript. Authors may submit manuscripts and track their progress through the system, hopefully to publication. As everyone of you would be aware of the fact that Editorial Board Members are very crucial in encouraging the Editors' craving to keep up exclusive expectations of insightful greatness in the work we distribute, we are amazingly appreciative for the priceless work of our board individuals in contributing both to our thorough companion audit framework and to the essential advancement of the Journal. The Journal group incorporates global specialists of related logical distributions. All the submitted papers go through different stages to guarantee distribution quality. The compositions go through the standard companion audit measure. There is beginning screening by the endless supply of paper. Fitting papers are then shipped off in any event two free refs. The remarks from the arbitrators are considered by the Editor-in-Chief, the key individual settling on a ultimate conclusion. Giving speedy and quality criticism to our esteemed creators remains our need concern so their work can be made accessible to worldwide society on schedule. COVID-19 outbreak has caused massive disturbances globally leading to challenges for everyone. Several

numbers of researchers/technicians are still facing challenges like laboratory closures and arrangement of online teaching and also simultaneously dealing with the effects of this pandemic situation on their day to day lives. Some of the editors, reviewers, and authors of various different journals are also physicians who are battling the pandemic. Therefore, delays during this pandemic period are inevitable, and therefore we would like to convey our thanks. It is significant that our Editors and Editorial Advisory Board ought to address the themes we distribute as well as reflect nations from where our entries come. Moreover, TSAC has supported researchers in their early-career. Researchers/Scientist/Authors are invited to share their CV and research interest with us and become a part of the Editorial Board Member, where they can work closely along with the Editors and Reviewers to provide the same high quality and quick review process. If you are interested in joining our Editorial Board, Please send us your updated CV, Research Interest, Biography, Recent Photograph (JPG) to mail id: [analyticalchemistry@aacseries.com](mailto:analyticalchemistry@aacseries.com). The editors anticipate working with our recently added individuals throughout the next few years. I invite all our board individuals and expand a warm greeting indeed to the individuals who have chosen to join our recognized rundown of researchers.
