Prestigious Award for Young Research's at [Structural Biology 2020] - Discovering New Exploration in { Green Chemistry and Technology} field

{Heart} Conference Committee is glad to announce "Green Chemistry and Technology" during June 08-09 in Frankfurt, Germany by focus on the theme: "Innovations and Excellence in Green Chemistry and Technology& Research"

[Green Chemistry and Technology] developments are maintaining their momentum. Dentistry Conference program delves into strategic discussions.

[Green Chemistry and Technology] Young Scientist Awards:

{ Green Chemistry and Technology } Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of { Green Chemistry and Technology }.

Young Research's Awards at [Green Chemistry and Technology 2020] for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the [Green Chemistry and Technology] young research forum.

Benefits:

- Young Scientist Award recognition certificate and memento to the winners
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 35yrs
- All submissions must be in English.

[Green Chemistry and Technology] provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join [Green Chemistry and Technology] for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our [Green Chemistry and Technology] more successful.
