

## Young Researchers Forum - Young Scientist Awards Glycobiology Summit 2020

Singh Rajesh Pratap

E-mail: [rpsbsfbs@iitr.ac.in](mailto:rpsbsfbs@iitr.ac.in)

**Glycobiology Summit 2020** invites scholars, researchers, academicians, students and corporate entities across the globe to join at the **Glycobiology Lipids & Metabolic Disorders 2020** (Glycobiology Summit-2020) during June 22-23, 2020 in Boston, USA. The conference main focus is on "Global Prospects in the field of Glycobiology".

**Glycobiology Lipids & Metabolic Disorders** is one of the most important meetings in the field of glycoconjugate research. The conference bring together glycobiologists, scientists, molecular biologists, biochemists, industrial experts, delegates, sponsors and related exhibitors from all around the world to the marvellous city of Boston, USA.

The Glycobiology Summit 2020 brings together the technology, the people and the experts that will keep you ahead of the exciting changes that are sweeping your profession. It provides a unique platform to present the recent developments in the field of glycobiology and to collectively discuss the latest findings in our multidisciplinary area of research.

Prestigious Award for Young Research's at Glycobiology Summit 2020- Discovering New Exploration in Natural, Traditional & Alternative Healthcare field

**Glycobiology Conference** Committee is glad to announce "Glycobiology Lipids & Metabolic Disorders 2020" June 22-23, 2020 in Boston, USA by focus on the theme: "A Congress on Global Prospects in the branch of Glycobiology".

**Young Research's Awards** at **Glycobiology Summit 2020** for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the **Glycobiology Summit 2020** young research forum.

### Benefits:

- Young Scientist Award recognition certificate and memento to the winners
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.

- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

### Eligibility:

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher/Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 35yrs
- All submissions must be in English.

**Glycobiology Summit 2020** provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Glycobiology Summit 2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our **Glycobiology Summit 2020** more successful.

The prize winning papers are going to be considered for publication in the international journals once the paper is subjected to standard review procedures.

### How to apply

Candidates applying for the Young Researcher Award should send their resume, and a letter of recommendation (from a research adviser for students or a senior faculty

member) to [glycobiology@eventsupporting.org](mailto:glycobiology@eventsupporting.org) along with the online application form below.
