

Young Researchers Forum: Young Scientist Awards for Mech Aero 2020

Fred Barez

Fred Barez, Professor, San Jose State University, E-mail: fred.barez@sjsu.edu

Lexis conferences invites the participants from all over the globe to take part in “**8th International conference and exhibition on Mechanical and Aerospace**” during September **18-19, 2020** at **San Francisco, USA**. The conference focuses on the theme: “*Modern practices in Mechanical Aerospace Engineering*”. Scientific sessions designed for this conference will assist the attendees and participants to learn extremes.

Mech Aero 2020 aims to bring together the pioneers in both basic and translational Aerospace research and cover the research studies, fundamentals of aerospace and the space technology, Fluid mechanics, **Aerodynamics**, Robotics and Mechatronics, Material processing, **Space engineering**, **Energy processing**, **Industrial Engineering**, Applied mechanics and **Space communication**.

Nanotech Forum 2020 Conference brings you an immense opportunity to be a part of scientific acceleration to **Aerodspace Organizations**, Space researchers, Educational institutes, Mechanical Researchers, Translational materialists, Practicing materialists in training, world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for revolutions in the field of Mechanical and Aerospace which brings well versed scrutinizers at one place. It provides a platform to have open discussions, knowledge sharing and interactive sessions with field experts at Mech Aero 2020.

Prestigious Award for Young Research’s at Mech Aero 2020 – Modern practices in Mechanical and Aerospace Engineering

Mech Aero 2020 Conference Committee is intended to honour prestigious award for talented Young research people, Scientists, Young Investigators, Post-Graduate students from universities, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Mechanical & Aerospace.

Young Research’s Awards at Mech Aero 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Mech Aero 2020 young research forum.

Benefits:

- Young Scientist Award recongination certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.

- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility:

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit-Under 35yrs
- All submissions must be in English.

Mech Aero 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Mech Aero 2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Mech Aero 2020 more successful.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

How to apply

Candidates applying for the Young Researcher Award should send their resume, and a letter of recommendation (from a research adviser for students or a senior faculty member) to aerospace@eventqueries.com along with the online application form below.
