

Prestigious Award for Young Research's at Environmental Chemistry Event 2020

Majed Hawaasha

Head of livestock Division, Amman Agriculture Directorate, Jordan. E-mail: majed_rqgew@yahoo.com

With the support of Honourable guests, Organizing Committee Members and Keynote Speakers for the grand success of previous conference, we are glad to announce our next annual meeting 9th International Conference on Environmental Chemistry to be held during October 19-20, 2020 in Athens, Greece with the theme "Accelerating New Innovative Technology in Environmental Chemistry".

Environmental Chemistry 2020 Conference Awards:

Environmental Chemistry Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Award makes every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Chemistry

Awards for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation

Last date for Initial application January 30, 2020 – \$399

Last date for Initial application February 28, 2020 – \$499

Last date for Initial application March 30, 2020 – \$599

Benefits:

- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 33yrs
- All submissions must be in English.

Environmental Chemistry 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Environmental Chemistry 2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Environmental Chemistry 2020 more successful.
