

Young Researchers Forum: Young Scientist Awards for Novel Drug Delivery 2020 June 22-23, 2020 | Chicago, USA

Affiong Iyire

Professor, School of Life Health Sciences, Aston University, Birmingham, UK, E-mail: iyirea@aston.ac.uk

Inviting all the Young Researchers to the International conference on Novel Drug Delivery Systems Congress 2020 scheduled during **June 22-23, 2020 at Chicago, USA.**

Novel Drug Delivery 2020 will illustrate innovative research ideas on Advanced Drug Delivery Systems, Drug Targeting and Design, Nanomedicine & Nanotechnology, Pharmaceutical Technology, Medicinal Chemistry and Drug Discovery and Screening, Formulation Technology, Bio pharmaceuticals and Biologics Drugs, Medical Devices for Drug Delivery. This conference presents a fantastic line-up for many international experts such as Professors and PhD Scholars from academia, Clinicians, R&D Scientists, CEOs, CROs, CMOs, Director, President from Pharmaceutical Companies, Manufacturers, Distributors and Suppliers of Drug Delivery Technologies, Business Entrepreneurs, Health professionals & Pharmacist, Quality control specialist. It provides an interdisciplinary platform to present and discuss the most recent innovations, trends as well as practical challenges encountered and solutions adopted in the fields NDDS.

The Drug Delivery 2020 Committee is pleased to announce that, we are currently announcing an Award that is [Prestigious Award for Young Research's](#) at Novel Drug Delivery 2020 - **Think Up and Explore Novel Techniques in Drug Delivery Systems**

This prestigious award is intended to Distinction for talented Young researchers, Young Investigators, scientists, Post-Graduate students, Post-doctoral fellows, Trainees, junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Formulations and Drug Delivery.

Young Research's Awards at Novel Drug Delivery 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Formulations 2020 young research forum.

Benefits:

- Certificate accreditation to the winners from Organising Committee
- Lexis conferences provide leading Platform for your research through oral presentations.
- Explore the ideas with all the eminent researchers, Scientists, investigators and mentors.
- Acquire Knowledge about career improvement with all the latest technologies by networking.
- Platform for collaboration among young researchers for better Growth in future.
- Young Scientists will get relevant information in the Specific field of expertise by this Conference.
- Provide an opportunity for research interaction across the globe in the field
- It's a great privilege for young researchers to learn about the research findings in the related areas for expanding their research knowledge for further Developments.

Eligibility:

- Young Researchers, Post-doctoral fellows, Post-Graduate students, Trainees, junior faculty with a minimum of 4-5 years of research experience
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Presentation must choose from the scientific sessions of the conference.
- Age limit- Less than 35yrs
- All submissions must be accepted in the language **English**.

Novel Drug Delivery 2020 provides best platform to enlarge your network, where you can meet scientists, authorities and CROs from around the Globe. It's your time to grab the opportunity to join Formulations 2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and impressive dedication to make our Formulations 2020 forum more successful.

Award winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

How to apply

Participants applying for the Young Researcher Award should mail their detailed resume and a letter of recommendation - from a research adviser for students or a senior faculty member.
